

Walkthrough - HUB Level: Holiday Hustle

Angela Liu

Story

It's the Christmas season and you are the father of two beautiful kids, Mac and Cheese, and a hot wife, Ann. But you don't have any money to buy them presents. In order to not disappoint them, you must go into town to make money by helping NPCs with simple tasks such as setting up decorations. Then with the money you earned, take it to the town shop and select presents for your family.

Location/Setting

The setting takes place in a snowy town in Aspen, Colorado surrounded by mountains. The Christmas season calls for colorful string lights hung along lamp posts and snow covering the surface of everything in sight. Neighbors and their children crowd West Main Street where the player lives. From the player's house, they can see the busy street that leads to the park and other stores.

Mission Objective

1. Earn money by:
 - a. Selling items online.
 - b. Stealing it from people's pockets.
 - c. Help set up lights on Christmas tree located in the park.
2. Use this money to purchase the gifts from the store and take the gifts back home to your family:
 - a. Mac wants an action figure.
 - b. Ann wants a necklace.
 - c. Cheese wants a plush doll.

Gameplay Mechanics

- Talk to NPC
- Crouch in certain areas to steal money.
- Buy items from the store.
- Press E on computer to "sell items."
